E9. BUSH PROTECTION

E9.1 Purpose

To ensure the protection and health of significant native vegetation.

E9.2 Contributions Required as a Condition of a Resource Consent

E9.2.1 Circumstances in which a Contribution may be imposed as a condition of a resource consent

(a) As a condition of a subdivision consent.

(b) As a condition of a land use consent for any development.

E9.2.2 Maximum amount of Contribution as a condition of a resource consent

The full actual cost of preserving any area of native vegetation including the full actual cost of any fencing necessary to protect the vegetation from stock damage.

E9.2.3 Form of Contribution

The contribution may, at Council's discretion, be required in the form of cash, land, works, services or any combination thereof.
